ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

The state tuberculosis commission will hold a public meeting in Northfield February 21.

The pay roll of the Vermont Marble Co., Proctor, for the month of January was about \$90,000.

J. N. Woodfin of Rutland, who has been dangerously ill with pneumonia, is reported to be out of danger.

Nathan Higley, a native and lifelong resident of Richmond, died Friday, February 17, aged 83 years. The funeral services were conducted by the Rev. A. Chase at the Universalist church on Sunday afternoon at 1:30 o'clock.

A petition is being circulated, and is being signed by having committed a felony, and confronted for the purpose of identification by a number of detective sergeants as a professional criminal. From police headquarters he was taken to the police court, where his identification by a student of his saved him from a commitment and he was discharged. He then brought suit and claimed punitive damages for the indignities to which he had been subjected.

Shan-Law, an Irish setter belonging to Dr. C. A. Gale of Rutland, won a silver cup at the Westminster Kennel club show in New York city. The prize was awarded him for being the best Irish setter in the show. Shan-Law has this week won three first prizes over St. Cloud the Third, who was the champion American dog.

While in Boston last Friday Gov. Bell visited the Boston Fruit and Produce Exchange and joked the salesmen there. Said he: "I want you to understand that all these high priced apples you are selling here came from Vermont. Of course we don't brag much about our beef because we make so much butter, but we wish you'd invent a milking machine, and if you could manage to pay us a little more for butter we will endeavor to increase the supply from the cow."

The New York Alumni association of the University of Vermont held its 13th annual meeting and banquet at the University club in New York Friday evening, and in point of attendance, novelty and enthusiasm, it was the most successful affair of the kind ever given by this society. The occasion was, in a way, a celebration of the centennial of this Vermont institution, as well as semi-commemorating one of the best known members of the faculty now long since deceased, Prof. Petty. Over 100 members were present.

A memorial service for Miss Frances E. Willard was held Friday afternoon at the Y. M. C. A. rooms, Montpelier, which was largely attended by members of the union and others. The exercises opened by reading of a portion of the burial service of the Episcopal church by the Rev. A. N. Lewis. Mrs. G. B. Denny, president of the local union, spoke of the reasons for celebrating Miss Willard's birthday. The Rev. W. B. Dukes spoke of "Miss Willard as a Christian Worker." The Rev. Guy C. Lamson and the Rev. L. E. Reed gave reminiscences of Miss Willard, and members of the union read quotations from her writings.

It is stated in good authority that the Rutland railroad will not make any changes this spring on the Farnsworth and Allbee property, which it recently purchased in Bellows Falls. The farm will probably be rented for the coming year. The property was purchased so that it could be used for side tracks, etc., if the future business of the road demanded additional yard facilities. It is said that the railroad would establish friendly relations with any manufacturing enterprise that might locate in that vicinity. If steam power were to be used and a loading station established on the railroad a location in that section would be very desirable.

A trained nurse is to be employed by the King's Daughters of Woodstock at a regular salary. She is to be called a district nurse and will go under their direction to care without charge for any persons who need but cannot pay for a nurse and will also attend paying patients in emergencies and when she can spare the time. She will be expected to make a number of calls each day. Enough money has been provided by private subscription so that the King's Daughters feel justified in engaging a nurse, but all the money needed has not yet been subscribed and contributions large or small are solicited. It will also be necessary to provide articles for the nurse to use in her work, such as sheets, pillow cases, towels, night clothes, hot water bottles, etc.

Michael Russell, who is employed at Black's livery stable in Burlington, was held up with intent of robbery Friday morning at about 2 o'clock, while returning from Winooski. Mr. Russell was near the car barn on Winooski avenue when several unknown men jumped quickly out into the center of the road and commanded him to halt. They quickly seized the horse by the bridle and set him back on his haunches, and gathered about the vehicle in such a manner that it made it impossible for Mr. Russell to escape. After indulging in a few profane adjectives and abusive language, they clambered into the wagon and struck Mr. Russell several times on the head and body. The driver of the team, however, bit out wildly with the whip and managed to force the intruders back into the road, and in this way escaped.

Gets Verdict of \$10,000.

Dr. Ashabel P. Grinnell, formerly of Burlington, has obtained a verdict of \$10,000 in his \$50,000 suit against Edward Weston of New York, once commodore of the Atlantic Yacht club, for false arrest and imprisonment. On a former trial Dr. Grinnell got a verdict of \$12,500, but that judgment was reversed on technical grounds. Dr. Grinnell was for over 20 years dean of the medical faculty of the University of Vermont. Commodore Weston had Dr. Grinnell arrested on the ground that he really was a man named Raynor, who had swindled him out of \$90. As Dr. Grinnell and his wife were about to board a train at the Grand Central station in March, 1901, Commodore Weston and four private detectives placed him under arrest, and turned him over

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales, she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair, too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ, leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

FIVE BURNED TO DEATH.

Terrible Fatality in Fire at Island Falls, Maine, Saturday.

Island Falls, Me., Feb. 20.—Five people were burned to death at Howbrook plantation, about 50 miles north of here, Saturday in a story and a half house in which they were sleeping. The bodies were burned beyond recognition. They were found in a heap near the front door through which an attempt evidently had been made to leave the building. The door was locked. The dead are Mrs. John Sherry, aged 30, of Oakfield, a daughter of Mrs. Sherry, aged 5; Mrs. Samuel Antworth, aged 24; two daughters of Mrs. Antworth, aged eight and two.

It is presumed the fire started from the kitchen stove but this will not be definitely known as all the occupants lost their lives and the building was leveled. The fact that the bodies were found huddled near the front door, shows that all were awakened, but could not open the door.

Piano Leather.

It is said that the most costly leather in the world is known to the trade as piano leather. The secret of tanning this leather is known only to a family of tanners in Germany, though the skins from which it is tanned come almost entirely from America.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. Sold at the Red Cross Pharmacy and Parlor Drug Store, Barre, Vt.
